Employer Achievement Awards

Pima Association of Governments recognizes and thanks its Travel Reduction Program (TRP) employers for implementing successful travel reduction programs at their worksites to improve our air quality.

Employers with 100 or more employees are required to participate in the program under a local Travel Reduction Ordinance to meet federal air quality standards.

PAG congratulates the following companies and local organizations which have exceeded the goals of the program in 2014. The TRP Regional Task Force and PAG-member jurisdictions appreciate the efforts of the following entities and transportation coordinators to achieve cleaner air and a healthier environment in Pima County.
